TESTIMONIALS

Razorback LLC completed our project on time and within budget. They displayed the highest quality of workmanship and were very dependable and thorough. Razorback worked hard to complete the project. Royal Bridge Inc. has worked with Razorback on many past projects and I highly recommend this company.

— Tommy Mahinis Royal Bridge

Razorback LLC was the bidder selected to perform restorations on two historic structures located in Marathon, FL. This funding had strict performance timelines and historical standards to which the contractor precisely adhered to. The project was completed on time, within budget, and to the satisfaction of the County's Historical Architect.

— Jordan Salinger, PMP Senior Project Manager Monroe County Public Works & Engineering

In the many years I've worked with Razorback, they have consistently exceeded their customers expectations, frequently going above and beyond the call of duty to ensure their work is of the highest level possible. Our collaborations are always positive and encourage continued partnerships in the future. It is my pleasure to recommend the services of Anthony Houllisand / Razorback. You would be hard-pressed to find a more skilled and honest contractor with more diverse knowledge of high-performance coatings in the industry.
